

Directions from Local Airports

OMR's Washington, DC Focus Group Facility

We strongly recommend using public transportation (Metro Subway System or cabs).

Ronald Reagan Washington National Airport (DCA) is the closest airport to the facility (30 minutes – non rush hour) and is a stop on Metro's Blue Line.

To gain entry into the building after 6 pm, please use the security panel outside the main entrance and give them your first name and tell them you are here for a meeting with OMR.
